Dear Parents/Carers

Internet Safety Week 2023

On Monday, I led an assembly about this year's Internet Safety Week. This year's theme is '*Want to talk about it? Making space for conversations about life online*'. Children have also been learning more about staying safe online during their classroom lessons.

The internet plays a significant and increasing role in the lives of many people including children and young people. It becomes more integral to their social development as children get older. Talking to young people about their life online and encouraging them to share their experiences with you, is a key part of helping to safeguard your family.

Further information for parents and carers can be found at <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/parents-and-carers>.

Please do not hesitate to contact the School Office should you have any queries about this year's Internet Safety Week or any concerns about your child's safety online.

Yours sincerely

Mr D O'Connor
Principal
